The Honorable Ayatollah Mousavi Ardabili, Public Prosecutor General

Your kindness encouraged me, Shamsi Khadem, a fragile 90-year-old woman, to send the following request to you. My 68-year-old daughter, Molouk Khadem, daughter of Mousa, has been in jail since 2/05/1362 [24 July 1983] and she is currently imprisoned in ward 3 of Evin Prison .Please order a review of her case, and with her freedom make this fragile old woman joyful and delighted by being able to visit her daughter at the end of her life. I beseech the holy spirit of the faithful and the saints for a long life for you, honorable chairman, and other authorities.

Yours sincerely,

Shamsi Khadem
