766 – [Date:] 16/07/41 [8 October 1962] North East Railway region – Regarding the service records of Mr Farzin [**redacted**]

The service records and a detailed list of payments and reductions of Mr Ali-Baba Farzin, operator in charge of repairs for the railway of Aftahieh [that region], was handed to the office of the committee of representatives of the National Pension Department for investigation. However, as the above-mentioned person declared his religion to be Baha'i in a previous service record sheet that is available in his employment file, the committee mentioned above, in accordance with the Prime Minister's confidential note, refused to investigate his service records. Therefore we provide this for your information and action.
