Copy of the Police Force of Qom report

[Date]: 5/2/13 23[25 April 1944]

Number 43

Confidential, Eyes only

Urgent

The Respected Governorate of Qom

Further to letters number 31- [dated:] 26/1/1323[15 April 1944] and 34-29/1/1323[18 April 1944], as you are aware, every day some papers and flyers are distributed about a couple of Baha'is who have recently come to Qom and the Jameyyat-e Tarafdaran-e Din<sup>1</sup>, attempting to force them to leave this town. They currently have written a letter and mailed it to the Police, a copy of which is attached for your attention. Considering that their stay in this city would ultimately lead to disorder, should you agree, a Commission should be formed at the Governorate which should include the prosecutor [and whose purpose would be] to take a firm decision about these individuals.
