Office of the Prime Minister

Mr. Ataollah Foroutan, who is one of my friends and resides in Golpayegan, has written a grievance describing the injustices he has endured, following up on his telegram, which was sent addressed to the honourable Prime Minister on 30 Mehr [13]23 [22 October 1944], and which is enclosed for your perusal. Please order strict instructions for investigating the matter and bringing about justice for the victim and the punishment of the perpetrators. Kindly inform me of the results. I will be very grateful.

Respectfully submitted,
