Mr. Governor of the Tenth Province,

We have been informed that, at the instigation of two preachers in Isfahan and a number of local people of influence in Zavareh, Baha'is of Dashet-e Mashhad have been given some trouble by the local residents. Their public bath has been set on fire and the door of the orchard belonging to Nasrollah Azadegan has been burned. Please investigate the situation, issue the necessary instructions for maintaining the order and security of the residents, and inform us of the results.
