The protest of Ayatollah Boroujerdi

Mr. Ghaemagham-e al-Molk Rafi, on behalf of some influential and high-ranking authorities of the country, has been commissioned to talk to Ayatollah Boroujerdi. On Saturday, he travelled to Qom and returned on the same day. He did not divulge any news in this regard.

Information has been obtained from reliable sources that Ayatollah Boroujerdi has shown much interest in seeing the Single Article regarding the Baha'is, to be approved by the two Parliaments. It appears the government is studying the matter in order to find a solution.
