A unit of a two-storey building with twelve doors, whose value in 1316 [1937] was in excess of one-hundred-twenty-thousand rials, also another four-sided attached building, together with its ancillaries,

whose value in 1317 [1938] was fifty-thousand rials, have been destroyed due to their being located in the pathway of a road. So far, the [amount of their value has not been paid]. The destruction of the aforementioned buildings has crippled the lives of a family. For the peace of mind of the family, I plead with you to instruct the issuance of their payment immediately, and I will be prayerful.
