Expression of Gratitude and Appreciation to Three Members of Parliament

The three representatives of the nation, Mr. Haj Agha Jafar Behbahani, Hojjatol-Islam Haj Seyyed Ahmad Safaei and Dr. Jazayeri, who told the truth in the open session of the National Consultative Assembly and stopped Reza Afshar, who had insulted the sanctities of the Iranian nation, were like balm placed on the hearts of all the Muslims and supporters of the Constitution. We give ourselves the right to thank such honourable representatives.

... While we request the chair of the National Consultative Assembly to encourage these three representatives of the nation, we demand the punishment of Reza Afshar.
