A two cents case

Yesterday, a number of friends were discussing the recent circular of Mr. Prime Minister, who has ordered his inspection office to immediately send [any] complaints from people to relevant ministries and departments, and [stated] that they should acknowledge it within 48 hours, otherwise ...

...Why does this office not go after Mr. Ala, who wasted the precious time of two Economic Council sessions by trying to ratify a decree for the tax exemption of the Pepsi Cola [Factory] for Mr. [Sabet Pasal]? This Baha'i man, with extraordinary deception, milks the people to reclaim the building of Haziratu'l- Quds for the Baha'is.

This man interferes so that the Baha'i Sabet Pasal becomes exempted from paying tax and contributes his income to the Baha'is...
