In the Name of God

Esteemed Governor General of Kerman

We are a group of merchants in the neighbourhood of Kohstargah Alley, where the shop of Mr. Nima Rajabzadeh (Pardeh Diba [Diba Curtain]) is located. His shop has been sealed illegally due to his belief. We request that it be unsealed. Islamic justice dictates that every human being be provided for, and under no circumstances can he be deprived of this right. We, the undersigned, who have been his neighbours, have not seen any improper behaviour from him during all this time and are all completely pleased with him; we request your attention and grace.
