The Honourable Commander of Poshtkuh Police Station

With greetings,

I wish to inform you regarding communication number 8889/205/53/8180, dated 28 Mordad 1380 [19 August 2001], about the transfer of agricultural lands to the people of Ivel in 1362 [1983/1984], that, according to the approved law of 8 Aban 1365 [30 October 1986], lands that have been occupied by non-owners in any form, before the year 1359 [1980/1981], in the implementation of the temporary cultivation law, the law was reviewed and enforced. Therefore, due to non-compliance with the date of occupation, the above-mentioned village was not subject to the law of temporary cultivation. For this reason, this Management declares its non-interference in the transfer of lands to the mentioned residents. B-6/19
